

Turquoise Trail Corridor Management Plan

Version 1.0

2.0 Turquoise Trail Byway Planning Team

Byway projects are managed and administered by a committee of the Turquoise Trail Association. This committee includes Larry Valtelhas, Carla Ward, Diana Johnson, Elaine O'Neil and Ede Cato. They meet as necessary to address all issues related to scenic byway projects. They are also members of the Scenic Byway Advisory Council.

2.1 TURQUOISE TRAIL ASSOCIATION

The Association includes people who have businesses along the Turquoise Trail, residents, people who are interested in the Association's activities, and tourism officials. Included here is a list of current members and their affiliation.

2.2 SCENIC BYWAY ADVISORY COUNCIL

The Scenic Byway Advisory Council (SBAC) was formed in January of 1999 from a core group from the Turquoise Trail Association. From the first meeting, the group was concerned with bringing stakeholders into the planning process. Monthly meetings were set up to be held on the same day, same time, and same location for the first year (1999) of the planning process to ensure continuity.

Turquoise Trail Byway Planning Team

Turquoise Trail Corridor Management Plan
Version 1.0

Following is a list of participating members of the SBAC:

Turquoise Trail Corridor Management Plan

Version 1.0

2.3 PUBLIC INVOLVEMENT

See Chapter 4 for the Public Participation Plan

2.4 ONGOING TEAM

The original committee will continue to organize efforts and manage projects for the Turquoise Trail Scenic Byway. They will bring in outside experts and consultants as necessary. The Ongoing Team will include the US Forest Service and, more specifically, the Cibola National Forest and the Sandia Ranger District; state organizations such as the NM Highway & Transportation Department, the NM Department of Tourism, the NM Department of Economic Development; and local organizations such as the East Mountain Chamber of Commerce and the Turquoise Trail Association.
